### Massive open online courses (MOOC)

Dear Faculty member,

We see that you have enrolled in an SWAYAM-NPTEL course. Kindly note that apart from being a learner in the course, you can also become a mentor to the students enrolled in this course from our KKM College local chapter.

NPTEL incentivizes this unique blended instruction by providing 'Mentorship Certificate' to the mentors based on the performance of their mentees in the NPTEL Certification Exams. One of the mandatory conditions for the mentors to be eligible for this Certificate is the monthly feedback on mentoring activities that they have to submit per course they mentor. i.e. if a faculty is mentoring two courses, then they have to submit separate feedback for each of the course that they are mentor in.

If you're Interested,

First approach our College Co-ordinator and express your interest in becoming a mentor. we will nominate you as a mentor in the SWAYAM portal. Once you are nominated, students enrolled in this course from our local chapter will be able to see your email listed in the 'Mentor' tab. The interested students will then have to select you as a mentor for the mentorship to be formally active. Also, we strongly recommend that you become a mentor in not more than 2 courses, as mentorship certificate is available only for two courses.
