Sub: Extending collaboration and laboratory facilities for UGC project work.

Dear Sir,

With reference to your request letter for providing the laboratory facilities and technical support for conducting research on proposed MRP on Genetic diversity of Fishes from River Tapi, I am happy to convey you that our centre's mandate is to promote the research projects on DNA barcoding.

We are happy to offer all the available research laboratory facilities for perusing your proposed UGC project work. Also, you will get all sort of technical support in DNA Barcoding project.

Please feel free for any clarification. Wish you success.
