software .Similarly using tally income expenditure related account work is done with the help of this software .

3.Examination : The work related to internal i.e . Continues Assessment (CA) as well as End of semester examinations (ESE) conducted by the university is performed using CMS software.The submission of online mark list , submission of examination forms and other exam related work i.e. edelivery of question papers is also carried out with the help of this software .

4. Payroll : The salary bills of teaching and nonteaching staff are prepared using Sevarth online system as recommended by the Higher and Technical Education , Government of Maharashtra is also operational in our institute . The allied work related to payroll like salary certificates , arrears , PF and IT deductions , insurance premiums and other non government deductions are carried out with this software.

5. Library : Using Libman software , which is a part of CMS software the library work such as accession of books , issue of books , searching the books available in the library etc. is performed with this software . Similarly we are the subscribers of NList of INFLIBNET , Ahamadabad. The teacher and student subscribers of our college accesses ebooks , ejournals , Shodhsindhu , Shodh ganga etc with the help of INFLIBNET.

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Our College is affiliated to the Swami Ramanand Teerth Marathwada University, Nanded it follows the university designed curriculum. The college operates at UG & PG level keeping in mind goals and objectives that is to make the students employable through holistic education and skill development. The University prepares an academic calendar that specifies the duration of the semester, the date of commencement and end of semesters. All UG and PG courses offered by the college have semester system. In the beginning of the academic year, an action plan is prepared by the IQAC, Separate time tables for Arts, Commerce, Science and other programs are prepared. In tune with the changes of syllabi made by the university, the college procures required number of books and research journals in the central library. Most of the departments have their own computers with internet connectivity. The teachers are preparing Power point

presentation and download YouTube video encouraged to use the ICT in classes. The use of ICT, laptop, well equipped laboratory facilitates etc. are made available to the students to improve their performance. Starting of Academic year every department arrange Departmental meeting regarding the distribution of Syllabus to all faculty members. Prepare Annual teaching plan as per the academic calendar. Teaching is according to paper wise curriculum. If there are constraints to complete the curriculum extra classes are conducted. We follow CBCS pattern from 2016-17 for BA , B Com, B Sc and M Com I year , from 2017-18 for BA, B Com, B Sc and M Com II Year and from 2018-19 for BA, B Com and B Sc III year . At the end of each academic session, the students appear for the semester examination and Continuous Assessment (C.A.). Each department conducts class internal tests as well as Tutorials and seminars for internal assessment/Continuous assessment (SEC). There is a internship for B Com third year students in V-semester and project work in VI semester and Environmental Project to BA , B.Com and B.Sc third year students which is submitted to the concern department . All faculty members arrange Subject wise bridge courses at beginning of academic year; curriculum concept is explained to the students through bridge courses. Faculty member Necessary arrange Excursion tour/field visit to develop observation skill among the students. Each department organizes seminars, and lectures to impart knowledge in the concerned subjects. The college also motivates the students to bring out various issues with the help of Wall Posters on special occasions like Independence Day, Republic Day and University Foundation Day, Scientist Birthday Celebration day etc. The institution insures effective curriculum delivery and translating by implementing academic calendar, teaching diary etc. The institution offers procedural practical support to the teachers for effectively translating curriculum and improving teaching practices by means of faculty development program such as workshop, Seminar and Courses.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Several initiatives have been taken by Swami Ramanand Teerth Marathwada University, Nanded from time to time upgrade and enhance examination reform and developing the skilled minds and skilled hands. The university introduced the semester systems from the academic year 200910 for B.A., B.Sc. and B. Com. First year courses. The semester system with CGPA Pattern has been adopted by SRTM University in 201415. Now the university has moved one step ahead and choice Based Credit System (CBCS) to semester pattern is implemented to UG program for the affiliated colleges of the university since 201617. Consequently both CBCS semester pattern is being implemented by our institute for F.Y. S. Y. courses of U.G. and P.G. classes also. The CBCS system provides choice for students to select from the prescribed core, elective or skill enhancement courses. In CBCS semester system, the assessment consists of End of Semester Examination (ESE) and Continuous Assessment (CA). The CA is a Continuous activity (Internal) conducted by concern college and ESE will be conducted by university. Each CA and ESE is having weightages of 20:80 for science faculty and approximately 50:50 for Arts and Science faculties. For each paper in a semester CA has 10 marks ESE has 40 marks (MCQ 10 Theory 30) for Science faculty. For arts and commerce faculty, CA has 35 marks ESE has 40 marks (MCQ 10 Theory 30) for each paper in a semester. CA for SEC (Skill Enhancement Course) has 25 marks. The test method for CA consists of following mechanism for evaluation such as Written Test , Assignment , Seminar presentation .The concerned teacher in consultation with the head of the department decides the nature of question for a written test. A student is required to obtain minimum 40 marks in the CA and ESE in both these examinations separately for passing. These reforms in CIE are implemented in our institute in the academic year 201819.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institute prepares its academic calendar in the beginning of each academic year prior to the instructions of parent university. The main idea behind preparing academic calendar is to plan various student centric activities desired to be implemented for both the semesters . These activities generally includes value based programs , competitive exam related activities , sport activities and few extension activities . As far academic calendar for the year 201819 , it is planed as per the schedule circulated by the university . While preparing the calendar the schedule of college and university examination is strictly followed . The process of admission shall commence in the month of June . A bridge and remedial course will be conducted in the first month of July . The institute has been organizing prize distribution ceremony for meritorious students in various examinations . This function is planned in the first week of August. National Service Scheme unit of the college arranges annual camp particularly in the second semester of each academic year . This year it is planned in the second week of December . The institute always encourages students to participate in various cultural activities . considering the same the annual social gathering is planned in the first week of February

2019 . In this way our institute prepare academic calendar and is adhered for conduct of examination and other related matters .

As the institute did not receive any instructions from the parent university in terms of formation of student council therefore the council was not formed during the present academic year .

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

Yes

The institution has a registered alumni association. It was registered on 25th October 2017 with the registration no. : MAH / 278 /2017 (Parbhani) and No. in the Register of Public Trust : F0016514(PBN) . The association has a body of eleven members and executive officers. The association was formed by a group of formers students who intended to have their involvement with an objective to maintain an association with the institution for quality enhancement. The association calls meetings on various occasions to discuss different issues related with the actual mechanism of working of the institution. It always takes a fair part in the activities related to the development of the students. As teaching, extension activities and research are the three major components of day to day working the association strives to relate itself with these three components to better the actual course of the work. It plans different activities such as cultural, sports and competitive exam related to form a coordination with present students. The association has future plans of organizing a few workshops for students. It also plans to initiate earn and learn scheme for the students so that needy students can get benefit from it. It would provide an opportunity for the students usually coming from smaller places and lower economic groups.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Principal is the head of the institution. In every academic year a meeting is held under the chairmanship of the Principal for constituting different committees for smoothly and efficiently functioning of the institution. The major authority is given to the head of the committee for completion of the work. Similarly, there are different departments and subjects in the college. The head is the prime authority in the department as well. All the rights are preserved with the head of the department. Hence, there is scope for enrichment of the departments due to liberty in respect of powers. All the faculty members have given the freedom relating to order or to purchase any study material or required instruments for the academic development. In the case of the administrative work, the Office Superintendent is the prime authority. Under the Office Superintendent all the nonteaching staffs work. All the new circulars from the University and the Government are communicated and discussed with the office staff. Therefore, there is a good work culture between the teaching and the nonteaching staff. Besides, under the Career Advancement Scheme, there is decentralized system in our college. Initially, the eligible teacher has to make an application towards the IQAC Coordinator for availing the Career Advancement Scheme. The IQAC will verify the eligibility of the concerned teacher. Once the IQAC is satisfied with the eligibility criteria for promotion then the IQAC suggests to the concerned teacher for the preparation of his/her proposal for availing CAS. All the documentary evidences will be verified and evaluated by the CAS Committee. Finally, the proposal is forwarded to the University for the sanction and all the CAS benefits are given to the concerned teacher. Under this system, the institution bestows all the rights to the IQAC.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Practice I Title of the practice: "Katariya Prize Distribution Ceremony 2018 19" Objective of the practice: • To appreciate students for their achievements in education. • To motivate the students to obtain good marks and make them study hard. • To support students financially at level best. • To motivate the students to do even better in their future course of study. • To empower students to go for higher education. • To improve the performance of students in examinations. • To inculcate a sense of competition in examinations in students. The Context: The prominent stakeholder of the institute belongs to the lower socioeconomical community. The socioeconomical barriers of the student may compel him/her for a grateful educational progress and continuation. Considering the fact, the respected management members and donors unanimously agreed to initiate a programme to boost the students for their educational progress. Also the scheme motivate the students to increase their performance in education and it also helps them to know the competition in the educational field. The Practice: With an objective to felicitate the meritorious students, the college organizes a prize distribution ceremony every year. These prizes are sponsored by the generous personalities from Manwath and the surrounding areas. Notable among these are the late 'Seth Ratanlalji Kabra' and 'Smt. Kondabai Kachruth Katariya' prizes. In addition to these, other 134 prizes are distributed to the students who obtain highest marks in various subjects and faculties. The maximum amount of prize is Rs.1001/ and minimum prize is of amount Rs.100/.In addition to these some prizes are in the form of books, which help our students to develop their interest in reading. Prizes are distributed to those students who are with first, second, third rank in the class or in the particular subject or amongst boys and girls. In this scheme, alumni of the college donate the fund every year. Some of the donors deposit the fund in the form of fixed deposits whose interest is used in the form of prize and other donors pay their donations in cash every year. Among the donors of this scheme, donors are a few management members, some of them are faculty members of the college and some are retired faculties. In the last ten years, the numbers of donors have been increasing every year and therefore maximum numbers of students are to be involved in this scheme. In the academic year 201819 this function is organized on 4th August , 2018 . Dr. Dnyanoba Mokate (Block education Officer , Panchyat Samiti , Khultabad Dist. Aurangabad) is the Chief guest of this function . Evidence of Success: The practice had been initiated with a purpose to encourage our students to enhance their academic performance. It was also considered that our students are essentially with socioeconomical and educational background. Such type of encouragement could play a significant role in providing a moral support. It began with 74 prizes and with the interest of generous peoples in the society today number of prizes increased to 136. Also, Alumni of the college and some generous peoples of the society are sponsoring this practice for student's development in the education stream. Due to availing prizes, the students are encouraged and further seen to occupy the prominent position in the society. Resources Required: The most important resource required is the human resource, teachers, staff, and wellwishers etc. contribution of alumni. Katariya prize distribution committee.

Practice II Title of the practice: Manavta annual college magazine : 201819 special issue on " Primary Education " Objective of the practice: • To accelerate the creative ability of the college students. • To improve the writing skill of students with respect to the social issues. • To develop social, political, economical and educational wisdoms of students. • To encourage students for developing research aptitude. • To develop scientific attitude of students for writing article. • To discuss sensitive issues related to the society. • To provide a medium for exchange of thoughts and information • To provide a platform for students to express themselves through various

forms of writing like research articles, comments on current topics, literary/creative writing • To encourage freedom of expression. • To provide the students an exposure to contemporary social reality. The Context: The classroom learning has a fragmentary share in inclusive development of students personality. Therefore the extracurricular activities in the form of creative expression provide a wider exposure to the students for channelizing their creative expression on one hand where as on the other, their growing ability to interpret the contextual framework in relation to the main theme. The editorial board of Manavta singles out a theme every year encompassing extensive sociopolitical and cultural context. The contextual framework of the topic chosen enables our students to learn and relearn the primary nature of the main theme of the issue. It initiates the wider possibilities to embark their sojourn in the direction of the topic. The multiple nature of the topic is an opportunity for them to comprehend the wider possibilities of its formation. For example, the theme of primary education (Manavta 201819) discovered through personal visits enabled our students to witness multilayered contextual nature of the problem. The Practice: The college publication 'Manavta' acts as an impressive mean to accelerate the creative ability of the college students. The contemporary issues are in the issues of this college magazine. The special issues of the magazine include the foundation stone laying of the new building issue, under the title 'Swapnantkur' (197677), the 'Literacy campaign' special issue (199394) and the 'Election code of conduct' special issue (199495). The institute since the year 2000 continuously brings out its annual magazine 'Manavta' to encourage the budding creativity of our students and also to make them conscious regarding burning socioeconomical, political, educational issues. The institute has been keen to opt a specific theme each year. Most of the times, it is expected that the students should be taken out from their classrooms with a purpose to witness, understand and analyse the grass root realities. Therefore the themes such as folk literature of region, Issues of farmers suicide in the vicinity of Manavta, Impact of digitalization on masses. Our some other issues were chosen apart from that, It was also expected that our students should have conscious an crystal clear attitude to comprehend the contribution of great personalities in nation building. Therefore the editorial board brought out special issues on Swami Vivekananda , Mahatma Gandhi, Yeshwantrao Chavan, Dr. Ambedkar in respective years. It certainly paved a way to strengthen critical insight of our students. We have an ambitious and talented student team of editors mentoring staff writers. While providing our team with publishing and journalistic growth opportunities, we are able to provide our readers with genuine advice to help them make the college magazine are ultimate national daily guide to college life. Evidence of Success: A best practice qualifies to a 'best practice' status if it resulted in high value impact on any aspect of educational activity in an institution. Our sincere efforts with a sacred purpose have been backed by the parent university and Yeshwantrao Chavan Pratisthan, Mumbai, time to time by awarding us with best magazine award many a time since 2009. The success of any activity lies largely in its proper implementation. The growing participation of the students and increasing number of awards convey the similar fact. On the occasion of University Foundation day, we have been awarded the first prize by the parent university on 18 September 2019 for our college magazine 'Manavta'. This is our hat trick in this regard. Resources Required: The most important resource required is the human resourcemosmotivated studens, teachers, staff, wellwishers etc. finance to meet various expenses.
