We have no doubt that due to the love of the villagers in our village for the change of the village, our village will definitely become a beautiful, clean, developed model village not only in Maharashtra but also in the country. Our best wishes for your successful journey.

We all want a new routine. The sun that rises every day is the same, but it seems different to the observer. Similarly, every year our college organizes a National Service Scheme camp. Like the rising sun every year, there are new villages, new students, new program officers, participating students, chief guests, we experience the joy of each difference. We all get the opportunity to become happy travelers through such activities.
